In honor of

**Rabbi and Mrs. Myer J. Schwab  
and  
the Denver Community Kollel**

For their unending hours of devotion, sincerity, and good old honest hard work for the benefit of Torah. Rabbi and Mrs. Schwab arrived in Denver in 1968 with a vision of building a bastion of Torah for young ladies. Two world class mechanchim who created a beautiful place out of a dream. And then, 30 years of beautiful dreams later, they then took the dream to the next level - a Kollel. A Kollel that broadened the horizons yet again. It is 18 years, and Chai - life is exactly what Rabbi and Mrs. Schwab have injected into the community. May the Ribono Shel Olam grant you continued strength, vision good health and dreams fulfilled.
